

# Clinical Training Log

Record each case for which you assume full responsibility and each case managed by your supervisor that you observe and analyze (O/A). Organize the Clinical Training Log by Case ID. To meet CHC certification clinical requirements, complete at least 140 hours (10 cases) of independently taken and written-up initial cases with two follow-ups and up to 360 hours of O/A. See below for training time calculation. Submit completed Log(s) to [chcinfo@homeopathicdirectory.com](mailto:chcinfo@homeopathicdirectory.com).

**Date:** Record actual date training occurred.

**Case ID:** Use initials or a numbering system. Do NOT use client names.

**Supervisor Name:** Print supervisor name and credentials (e.g. CCH, DHANP, CHO, DHT).

**OA/CI/CF:** Categorize by training type: OA - Observation and Analysis, CI – Initial Case Intake/Analysis, CF – Case Follow-up/Analysis.

**Hours:** Record number of hours credited by CHC: OA – actual hours, CI – 10 hours each, CF – 2 hours each.

**Supervisor Signature:** Obtain supervisor signature for **each** training entry.

**Candidate Name:**

**Exam Date:**
